V: The value of CJZ:

CJZ, unlike air coins, is supported by value and landing scenarios. At present, the price of CJZ is low, and its real value is close to more than 10,000 yuan (more than 10,000 yuan per CJZ, which has been introduced before). And in this process, CJZ will have more value injection, it is to achieve a virtuous cycle and win-win situation to make money.

For example (one of the more value injections): We have been contacted by diamond suppliers who hope that their diamonds will be linked to CJZ in some ways to promote their diamond sales when the price of CJZ rises. In addition to this value injection, CJZ has more (additional) value injection in the follow-up.

1. First of all, CJZ is global-oriented. Most countries in the world will have CJZ platform later. The number of buyers, fans and recipients is very large, which is enough to support the number of 900 million CJZ and tens of thousands of prices (single CJZ).

2、财经钻的应用场景，后续会扩展至数万个到数十万个应用场景，除我们自有的应用场景外，后续财经钻平台将对外开放，开发者可入住财经钻平台开发应用场景，同时也将与其它应用场景合作，和外界采取多种模式合作等等。

不同领域的单个财经钻应用场景，将发展为全球排名第一或者排名靠前的独立平台，而这些平台，都是财经钻子平台。

3. At present, diamond suppliers are contacting us. They hope that the price of CJZ will rise and be linked to their diamonds in some ways to promote their diamond sales. This will also further promote CJZ price and recognition, so the population base (number) of people who accept, buy and invest in CJZ will rise substantially again.

4、财经钻在发展过程中，那些大资本、财团等，他们应该不会放过财经钻这块肥肉，这些大资金介入后，一是财经钻价格会再次拔高，二是他们也会进一步推动财经钻的发展。

4. In the process of CJZ's development, those big capitals and consortia should not miss it. After these big funds intervene, the price of CJZ will rise again, and they will further promote the development of CJZ.
