VCW Team Outlines Value Connect World's Focus on Value Connection Across Digital and Physical Systems

Published 01:25 PM, July 1, 2026 Show

Singapore - July 1, 2026 -

The VCW team has outlined the core positioning of VCW, also known as Value Connect World, as a value-driven digital asset framework centered on the idea that value connects and value drives all things in the world.

According to the VCW team, VCW is built around the concept of value connecting all things in the world. The team describes VCW as a value-based digital asset framework intended to connect different participants, entities, products, projects, systems, and applications through a shared value-driven model.
